SUGAR REFINERY IS COMING

Glades Growers Plant Sweet Corn

Each year in the Lake Okechobee Farming Region it seems there is a race to see who plants the first sweet corn for the winter harvest season. This year it was no different than in past years—sweet corn has been in the ground on many acres since August 1.

During past years the early corn, at times, has brought premium prices and at other times when the fall rains have set in, the growers have lost their shirts on the early crops. However, the growers are of the opinion that the profits have more than offset the losses—therefore, the early plantings.

With this being the first 10 days in the month of August, farmers are unusually busy preparing land for fall plantings. Much new land has been brought under cultivation to replace acres and acres that have been planted to sugar cane.

The federal government took off the sugar cane growing quota and farmers in this area are paying fantastic prices for land to put in cane. Sky-high rents are prevailing for land on which to plant cane. For a few days \$100 an acre per year for cane land held all records. THEN, along came another offer of \$150 per acre per year for cane land. This offer tops all others in this area for high rent.

Fabulous prices are being paid for patches of land on which to plant cane. It was thought last fall when a piece of land sold for \$2,000 an acre that the top had been reached. Then along came another sale of less than 30 acres and the price was \$2250 per acre. Local folks knew this was the top until another offer of \$2500 per acre was made this week. Maybe this is the top. Maybe it is just the beginning.

Month Of July Was Driest Since 1931

Records are wonderful things to have around at times. B. A. Belcher of the U. S. Sugar Cane Testing Station at Canal Point keeps 'em' regularly. This time one of his records has to do with rainfall in Canal Point during past years.

Mr. Belcher's records show that the month of JULY just passed was the driest JULY since the good year of 1931. In July, 1963, records at the station, Mr. Belcher said, showed only 1.6 inches of rainfall.

RETURN FROM GEORGIA

Mr. and Mrs. L. P. Turbeville, their son, Terry, daughter, Cynthia, and Miss Paula Gail Bryant are expected to return this week end after spending two weeks visiting relatives in Dublin and Macon, Georgia, and vacationing in the mountains of North Carolina.

Ralph Blank, Sr., Is Heart Attack Victim

Funeral services will be held today at Memorial Presbyterian church in West Palm Beach for Ralph Blank, Sr., who died from a heart attack early Tuesday. Burial will be in Hillcrest cemetery.

The deceased is survived by one son, State Senator Ralph Blank, Jr., and his widow, Pauline, West Palm Beach; a daughter, Mrs. Paulette Wright, Boca Raton; a sister, Miss Inez R. Blank, West Palm Beach, and six grandchildren.

He had been active for many years in county and state affairs, and was in the real estate business at the time of his death.

From 1943 to 1947 he was manager of the Resources Development Board, during which time he spearheaded the Central and Southern Florida Flood Control District.

Lions Name Their Many Committees

The regular monthly business session was held at the luncheon meeting of the Pahoee Lions Club Tuesday with the first vice-president, Dr. R. C. Lane, presiding in the absence of the president, A. J. Gamot, who was ill.

Committees appointed by the president for the year have been announced. They include R. J. Schroder, attendance; E. A. Jensen and Alton Joyce, audit; James W. Vann and Curtis Chase, finance; Frank Tillis, George Rashnace, Milton Salvatore, and M. L. Wright, membership; Paul Tillery, Glenn Brower and Frank Tillis, program; Curtis Chase and E. A. Jensen, constitution and by-laws; H. B. Elarbee, B. R. Mosley, J. H. Wilkinson, A. J. Gamot, Jr. and Duncan Padgett, house committee.

M. L. Keen and B. R. Mosley, convention; J. H. Wilkinson, Jr., Duncan Padgett and Minter Collins, sight conservation; Tom Martinez, W. A. Reynolds and Web Pell, boys and girls; T. E. Pennington, William Benton and D. W. Cunningham, citizenship, civic and community improvement; A. J. Gamot, Jr., United Nations; Kyle Scott and E. A. Jensen, bulletin, public relations and Lions information.

Health, welfare & safety, Frank Rozelle; J. D. Douglas, Norma R. Norman and R. B. Simonson, agriculture; Leon Spooner and Carmen Salvatore, social; M. E. McKay and past presidents, greeters; Brooks Henderson and Web Pell, education. (The first named on each committee is chairman.)

MARK SCOTT IS HOME

Mark Scott returned to his home in Canal Point Tuesday from St. Mary's Hospital, West Palm Beach, where he spent two weeks being treated for injuries received in an automobile accident.

Ag Election Will Be Held In August

All farmers of Palm Beach County are reminded that the 1963 annual Agricultural Stabilization and Conservation community elections will be held in August. These committees administer the Federal Farm Programs in the county. The three communities are as follows: Coastal—the area east of Twenty-Mile Bend; Belle Glade—the area north of Conroy's Highway to the Martin County line and west to Lake Okechobee.

Petitions signed by six or more eligible voters nominating persons for membership on the community committee must be received at the ASCS Office, 531 North Military Trail, West Palm Beach, not later than August 9, 1963. The persons nominated by petition are willing to serve and are eligible, their names will be placed on the ballot. If the person(s) nominated by petition is found to be ineligible, he will be notified, and may appeal to the county committee by August 15th. The community and county committee(s) may make additional nominations as are required or as they determine or consider desirable.

Pahoee Planning Its Future Growth

The City of Pahoee will soon be ready to go ahead full-steam with planning for a "must" for future growth — its first sewer system.

The Community Facilities Administration has approved an interest-free \$32,956 planning loan for the facility cost of which has been estimated at \$1,095,000.

"It's a must that we get a sewer system, one way or the other, if we intend to grow. And we sure do," said Mayor Duncan Padgett Friday night.

The mayor was referring to the possibility of Federal Housing Administration construction loans being cut off. FHA officials have indicated such may happen if Pahoee slackens its efforts to get sewers, Padgett said.

The city has already engaged engineers and a fiscal agent in preliminary studies. The latter has suggested, among other things, that the sewer system and needed improvements in the water system be combined into one program, Padgett said.

This, in the opinion of the fiscal agent, would enable the city to get better interest rates for financing.

Mr. and Mrs. J. V. Thomas, Sr. have as their house guests this week, her brother-in-law and sister, Mr. and Mrs. Mack Rooks and daughters, Andrea and Connie of Marianna.

Schroders To Visit Yellowstone Park

Vacation for Mr. and Mrs. R. J. Schroder of Pahoee will begin on August 15 when he will take his annual leave as superintendent of the City Waterworks Department. The Schroders plan to drive to Fort Worth, Texas where they will first visit friends and then go by train to Yellowstone Park. Later they will visit her sister, Mrs. C. P. McQuig in Texas City, Texas, and her nephew and niece, Mr. and Mrs. Morris Tiffin, and family at Houston, before returning home.

Rotary Governer Visits Pahoee

Rotary District Governor, Sam Knowles, of District 699, who resides at Miami Beach, was guest speaker at the luncheon meeting Thursday, (yesterday) of the Pahoee Rotary Club. Mr. Knowles was making his official visit to the Club.

The president, William S. Plummer, presided over the business session.

A dinner honoring the District Governor, was held at the Grassy Waters Restaurant, Thursday evening, with officers, directors and their wives attending.

Following the dinner, a club assembly was held with Mr. Knowles in charge.

While the officials of the Club were holding their business meeting, Mrs. Plummer entertained Mrs. Knowles and the other wives at her home on East Main Street.

Land Sales Bring Money To Glades

874 acres of undeveloped muckland on US Highway 27 south of South Bay were sold for \$174,864 or \$200 per acre by Oswald R. Buckle of Bogota, Columbia to W. E. Schlechter & Sons, Inc. of Belle Glade. Thurmond Knight Realty, Inc., Brokers, Riviera Beach handled the transaction.

26,666 acres located approximately 15 miles S. E. of Belle Glade sold for \$2,000,000 or about \$75 per acre. A group of Northern investors from the Atlantic Bank of West Palm Beach acquired the raw land.

James Byrd of South Miami was the weekend guest of Mr. and Mrs. Blanchard Branch of 142 1/2 N. Barfield Highway, Pahoee.

For many months it has been known that a huge multi-million dollar sugar refinery is to be built in the sugar cane producing area on the shore of Lake Okechobee. Just where the new industrial plant will be erected has not been definitely publicized by the Savannah Sugar Refining Corporation, producers of Dixie Crystals Sugars, who today announce the coming of the refinery.

Savannah Sugar Refining Corporation, through the years, has processed raw sugar for the United States Sugar Corporation produced at Clewiston and last season at the new multi-million dollar sugar mill at Bryant—a stone's throw from Canal Point. The company said they had looked at several sites proposed for the refinery in Palm Beach and Hendry counties, but at this date, no decision has been made as to its location.

This refinery will operate on a year-round basis, with employment of more than 100 persons. Its anticipated capacity is in the neighborhood of a hundred million pounds of refined sugar a year.

In making this announcement, Lawton M. Calhoun, President of Savannah Sugar Refining Corporation, stated: "Our Company is delighted that its plans for a new refinery will further cement relations with the State of Florida, where we have done business for the more than forty-six years of our Company's operations. Not only do we purchase a very large volume of raw sugar from the Everglades area, amounting to well over \$45,000,000 for the 1962-63 crop season, but Florida has always been one of our largest marketing areas for refined sugars. We look forward eagerly to this new relationship, and have a keen awareness of the opportunity that this new venture presents."

The building of this new refinery in Florida will not affect the operation of this Company's refinery at Savannah, at present the fourth largest cane sugar refinery in the United States. It is designed to better serve Floridians, rapidly expanding population, its burgeoning food-processing industry and to provide a nearby market for the increasing volume of raw sugar being produced in the Everglades.

HOME FROM VACATION

Rev. and Mrs. Lawrence Stewart and family returned to Canal Point last Thursday after vacationing for two weeks in Alabama and Panama City. They were accompanied home by his sister, Miss Patricia Stewart, who was visiting her parents, Rev. and Mrs. Stewart at Enterprise.

Tips On Preventing Burglaries

Connect Timer To Lamp

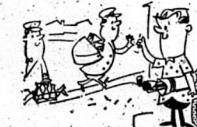

Leaves a lamp or two connected to an automatic timer to turn lights on and off each evening. This makes the house look lived-in and is a good protective measure.

Lock All Doors

Be sure all exterior doors are securely locked. Use a pin-tumbler cylinder lock or safety latch.

Stop Deliveries

Be sure to have your mail held and all deliveries suspended during your absence. Notify local police of the dates you'll be away.

Prepared as a Public Service by the BURGLARY PREVENTION WEEK ADVISORY COMMITTEE, 11 S. Morgan St., Chicago 7, Ill.

Partly Draw Shades

Make certain that drapes or shades are not completely drawn. Leave them as you normally would when you are home.

Close Garage Doors

Always close your garage doors. An empty garage with doors open will catch the attention of a thief and indicate no one is home.

Put Away Tools

Never leave ladders or tools lying around where prowlers can get at them—they may be used to get into your home.

Plans Told Gayle Johnson Wedding

Plans have been announced for the wedding of Miss Suzanne Gayle Johnson of Pahokee and Thomas Willis McArthur of Lakeland. The double-ring ceremony will take place at the First Methodist Church in Pahokee on Saturday, August 17, at 4 p. m. with the pastor, Rev. John A. Briley, officiating.

Miss Johnson has chosen for her attendants, Mrs. Roland S. Kennedy of Jacksonville, her aunt, as matron of honor; Mrs. Morgan Tyson of South Bay, and Mrs. Joe Hatton, Jr., Pahokee, as bridesmaids; and her cousin, Miss Kathy Kennedy of Jacksonville, junior bridesmaid.

Jack McArthur will serve as his brother's best man, and ushers will be Royce Stewart and Eddie Gandy, both of Lakeland and Roland S. Kennedy of Jacksonville.

The program of nuptial music will be presented by Dr. R. L. Hatton, vocalist, and Miss Dottie Lair, organist.

No formal invitations are being issued locally, but all friends of the couple are invited to attend both the wedding, and the reception which will be held in the social hall of the church.

Betty Wilson Weds Donald J. Neary

Rev. Max Jones, pastor, performed the double-ring ceremony uniting Betty Thompson Wilson and Donald Joseph Neary in marriage, Saturday afternoon, August 3, at the Pahokee Church of the Nazarene. The nuptial vows were spoken before an altar decorated with tall baskets of pink and white gladioli.

Mr. and Mrs. I. G. Thompson of Pahokee are the parents of the bride, and the bridegroom is the son of Mr. and Mrs. Martin W. Neary, of Hollywood, Florida.

The bride wore a street-length gown of white 'mou de soie', embroidered in blue, and carried a blue and white colonial bouquet.

Mrs. Rose Marie Kowaleski of Hollywood, matron of honor, was attired in blue taffeta, and her colonial bouquet was similar to that of the bride.

Martin W. Neary served as best man for his son.

Mrs. Billy Thigpen and Mrs. Ray Thompson assisted at the reception which was held at the home of the bride.

Following a honeymoon trip to the East Coast, the couple are making their home at 284 Parkview Court, Pahokee.

Out Of Town Guests Attend Wedding

The out of town guests attending the Howard-Rowell wedding at the First Baptist Church, Pahokee, on July 27, included Mr. and Mrs. William Harry Newell, Mr. and Mrs. Joseph Nemeth, Mrs. Glenn Bridwell and Mr. and Mrs. R. H. Carlson, Riviera Beach; Rev. and Mrs. Hal Hunter, Mr. and Mrs. R. Forbes and Sandra, Mr. and Mrs. Richard G. Mueller, Collins Drive, Mrs. David L. Pearson, 841 Sunset Rd., Mr. and Mrs. O. H. Loy, 515 50th St., Mr. and Mrs. Leon W. Kohlscheen, 3151 Keating Drive, Edward N. King, Mr. and Mrs. Louis H. *"Today we need a nation of Minute Men
citizens who regard the preservation of freedom
as a basic purpose of their daily life"*

—JOHN FITZGERALD KENNEDY

10 days after his inauguration
as the 35th President of the
United States.

Twenty years ago, in the dark, uneasy days before Pearl Harbor, the Minute Man of Concord, timeless symbol of our Nation's determination to defend its freedom, emerged as the emblem of the U. S. Savings Bonds Program. When war came, the Minute Man became the rallying force behind the huge and overwhelmingly successful effort to back our fighting men with War Bonds.

In this, the 20th anniversary year of Savings Bonds, the Minute Man of Concord calls all Americans to an unremitting effort to help preserve our peace and freedom, threatened by forces more powerful and resourceful than those we faced in 1941. Though this effort will take many forms, one way open to all is the continued investment in Shares in America, U. S. Savings Bonds, by "citizens who regard the preservation of freedom as a basic purpose of their daily life."

Banks Still Major Source Of Credit

Florida banks remain a major source of credit and other financial services according to Rupert Mock, Bank of Pahokee president, who represents the Florida Bankers Association on the Palm Beach County Advisory Banker.

Based on the 22nd annual farm lending summary of the Agricultural Committee of The American Bankers Association, Mr. Mock reported that at the beginning of the year, Florida banks were helping farmers with \$88 million in loans, 21 per cent more than a year previous. This total included \$53 million in production loans and \$35 million in farm mortgages. At the same time, \$111

million in farm loans was held by life insurance companies; \$40 million by the Federal Land Banks; \$69 million by Production Credit Association; and \$6 million in non-real estate loans plus \$23 million in real estate loans by the Farmers Home Administration. About 41 per cent of the production credit extended by lending institutions to Florida farmers came from banks.

Mr. Mock said that "bankers in Florida, as well as throughout the country, are taking a realistic look at agriculture, appraising it from the standpoint of its total contribution to the economy. Through the years the agricultural industry, as a part of the total economy, has remained relatively stable, with the 'off-the-farm' portion becoming increasingly significant. Bankers, therefore, are broadening their services and are also developing and promoting programs that consider the interwoven relationships between farmers and related businesses.

"Capital has become one of the main pillars in agriculture, with the total investment increasing fourfold during the past 20 years. Today farm families nationally have approximately \$196 billion invested in their operations, with the average investment per farm estimated to be \$47,632—twice the amount reported just 10 years ago."

Mr. Mock stressed the importance of farmers and bankers working closely together to improve farm financial arrangements. He reported that 94 per cent of insured banks throughout the country

had agricultural loans outstanding at the first of the year, with 78 per cent of the banks in Florida extending credit to farm people.

Sanor Is New Head Indiantown Bank

The First Bank of Indiantown elected Carl W. Sanor President of the bank last Saturday at a special directors meeting attended by Mrs. Y. R. Famel, chairman of the board, Robert M. Post, John S. Fox, Thomas H. Thurlow, G. C. Troup, B. Parker Abney and Jack H. Williamson.

The new President brings to the bank widely diversified business and banking experience. He served as Vice President of the First National Bank of Stuart where he started and developed the Installment Loan Dept.

Pat Elliott Will Get Master Degree

Jess Pat Elliott, son of Mr. and Mrs. Jess M. Elliott, will receive his Master of Education degree from the University of Florida this month. He has been elected a member of Phi Kappa Phi—"a national scholastic honor society which recognizes excellence in all fields." Those elected to membership are in the highest ten per cent of the graduating class.

Pat has been awarded a fellowship at the University of Florida for the coming year and will begin work on his doctorate in educational research this fall.

Billy Matthews At Vegetable Meet

MIAMI BEACH—Florida's Eighth District Congressman D. R. (Billy) Matthews will toastmaster the annual banquet during the 20th Florida Fruit & Vegetable Association Convention here September 26.

Climaxing a three-day meeting of an expected 1500 industry representatives, the banquet will be held in the Grand Ballroom of the American Hotel in Bal Harbour, site of the convention.

FFVA officials have cited the coming convention as one "highly significant to the industry." In addition to marketing twenty years of progress in growing, transporting and marketing of Florida fruit and vegetables, the meeting will tackle key issues currently facing the industry.

J. Abney Cox, FFVA president, of Princeton, states:

"Seldom is an industry faced with opportunity of such proportions as that created by our advances during the last few years in production, harvesting and marketing techniques. Our ability to conquer this challenge is going to be a key discussion point at meetings during this convention."

Joffre David, FFVA general manager, reported that the coming convention has national agricultural importance. "We are highly honored to have as keynote speaker the Honorable Spessard L. Holland, Florida's Senior Senator. We are also delighted to have U. S. Representative Billy Matthews, from Florida's Eighth District to preside at our annual banquet."

The convention begins with registration and business sessions on Tuesday, September 24.

Representative Matthews, who will preside at the annual banquet, is a native of Florida, born in Micahopolis. He graduated from the University of Florida in 1929 with numerous honors. After aiding his father in management of the fam-

ily's turpentine interests, he returned to serve the University of Florida following a teaching career in Leesburg and Orlando and as principal in Newberry.

He was appointed Director of Alumni Affairs for the University of Florida by the then President J. Hillis Miller in 1947 and served in that position until resigning in 1952 to run for the 83rd Congress. He has been re-elected each term since that time and served on the Committee on Agriculture in the 84th and 85th Congress.

Christian Science Group Of Canal Point

A Bible Lesson on "Spirit" from the Christian Science Quarterly will be read this Sunday.

Responsive Reading by the congregation will include this Scriptural passage from II Corinthians (3:17): "Now the Lord is that Spirit: and where the Spirit of the Lord is, there is liberty."

One of the references from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will be this: "Man is tributary to God, Spirit, and to nothing else. God's being is infinity, freedom, harmony, and boundless bliss. 'Where the Spirit of the Lord is, there is liberty' " (p. 481).

Dr. Paul W. Graham, Director of Evening Classes, announces that Palm Beach Junior College will offer courses to residents in the Glades again this Fall. Students may register at 6:30 p. m. Friday, September 6th at the Belle Glade High School. Each registrant must have completed an Affidavit of Residence form and must have it notarized. In addition he must assume responsibility for securing high school transcript, State High School Equivalency Diploma or college transcript for the Junior College Registrar.

No particular courses have been decided upon. What is to be offered will be selected by those present at 6:30 p. m. A minimum enrollment of 15 persons is necessary for each class.

For additional information, interested student may write to the Registrar, Evening Division, Palm Beach Junior College, 4200 Congress Avenue, Lake Worth, Florida, 33460 or call the College at JUstice 2-5301.

Witnesses Will Gather In Orlando

Miles P. Crum, presiding minister of the local congregation of Jehovah's witnesses, has officially announced that the witnesses of Florida Circuit No. 8 will hold their summer assembly in Orlando, August 16-18, at the Orlando Municipal Auditorium, located at West Livingston Ave.

Mr. Crum said that he expects 40 from Belle Glade to attend the three-day meeting.

Over 1000 delegates from 17 congregations are expected to attend.

Mr. Crum said "the assembly is not a revival; it is held to encourage application of true Christian principles and further instruct our association of ministers." The assembly will carry as its theme "Right Kind of Ministers," applying the principle at 1 Tim. 4:6.

The program will include a variety of talks and demonstrations on many Bible subjects designed to assist the witnesses in their ministerial activities. Sessions will be conducted morning, afternoon, and evening with the baptism of new ministers on Saturday.

D. J. Thomas and Fred C. Barnes, supervisors, working out of Jehovah's witnesses' world-wide headquarters in New York, will appear daily on the program. In addition to Mr. Thomas and Mr. Barnes, there will be speakers from all 17 congregations of the Florida circuit.

Sunday at 3:00 p. m. Mr. Thomas will deliver the principal address of the assembly, "Who Will Win the Struggle for World Supremacy?"

Westward Travels Prove Interesting

An interesting account of her travels in the West has been received this week from Mrs. W. E. McCall who left Canal Point several weeks ago with her three sons and daughter, to join her husband in California where he is following the fair circuit showing "Pahokee Joe".

"Joe" is a 14 year old 3,000 pound Holstein steer who enjoys licking fuzzy cotton candy off the paper stick; in addition to his daily diet of 40 lbs. of grain, a bale of hay and 75 gallons of water. He has been entered in six fairs and Mrs. McCall states he has been the center of attraction at each one.

Mrs. McCall writes that they are the most "toured" tourists in California. In giving some of the highlights of their trip west, she named Carlsbad Caverns, the trip into Mexico, Sunset Crater and Grand Canyon as the most outstanding.

They camped out all but one night and were favorably impressed with the State and Natural Parks. Their favorite was at Bastrop, Texas (near Austin) where Ted and Mike exchanged experiences with a group of 4-H boys who were also camping there. The weekend of the Fourth they camped at Moscalero, New Mexico (for three nights). The camp was on top of a 9,000 ft. mountain and was run by Indians from the Reservation. While there Kamdi and Fat had their pictures made with Geronimo's only surviving son.

The McCalls are currently showing "Joe" at the Santa Barbara County Fair which is being held at Santa Maria. Their next engagement is at Pleasanton, California.

Calling Shower For Gayle Johnson

Miss Gayle Johnson, bride-elect of Thomas W. McArthur of Lakeland, was complimented with a calling shower Thursday evening, August 1, at the home of Mrs. Joe Hatton, Sr., 2679 Bacom Point Road, Pahokee.

Hostesses with Mrs. Hatton were Mrs. Charles Jernigan, Mrs. Morgan Tyson, Mrs. Bill Hatton, Mrs. Lester Hatton, Mrs. F. H. Poteete, Mrs. Lewis Buckner and Mrs. Don Zaccagnino.

In the receiving line, in addition to the honoree, were her mother, Mrs. W. M. Johnson, her aunt, Mrs. Roland S. Kennedy of Jacksonville, and Mrs. Hatton.

The refreshment table was laid with an exquisite cloth fashioned with squares of embroidery and lace, and centered with a wedding ring arrangement of sweetheart roses and fern. Mrs. Charles Jernigan was in charge of the guest book.

Many lovely gifts were received by the bride-to-be, including a buffet style electric fry pan, presented to her by the hostesses.

Dade's Faircloth Resigns Committee

MIAMI — Rep. Earl Faircloth of Dade County has resigned from the controversial legislative investigation committee.

In a letter to house speaker Mallory Horne, who makes the house appointments to the committee, Faircloth said only that his private law practice required more of his time.

Horne called upon the committee to justify its existence following Faircloth's resignation. He said he was discouraged because the committee had not met and organized.

Considerable pressure was brought during the 1963 session of the legislature to abolish the committee. Instead, it was voted \$155,000 to continue its work for another two years.

The committee in the past investigated Communistic activities and homosexuals at Florida universities.

Miss Janette Harrington visited Mr. and Mrs. David Pearce in West Palm Beach last weekend.

Patterson Circle To Meet August 12

The Ione Patterson Circle of the Canal Point Baptist Woman's Missionary Union will hold the regular monthly meeting at the recreation building Monday, August 12, at 9:30 a. m. Mrs. W. A. Baker will serve as hostess, and Mrs. A. H. Scruggs will present the program, "Sharing Possessions."

HOME FROM KANSAS

Mr. and Mrs. George Ramey returned Monday to their home in Pahokee after spending a month visiting his mother, Mrs. Mattie Ramey, and other relatives in Spring Hill, Kansas. Enroute home, they visited Mr. and Mrs. B. W. Wood and Mr. and Mrs. Charles Baker in Jacksonville, and their son-in-law and daughter, Mr. and Mrs. Hugh Miller III and family at Rockledge.

TO UNIVERSITY OF GEORGIA

Miss Vicki Alley, daughter of Mrs. Wilma Alley and graduate of Pahokee High school, will enter the University of Georgia on Sept. 15. Miss Alley attended Palm Beach Junior College the past year.

Mrs. Tidwell Smith and children of Douglas, Ga. arrived Tuesday and are visiting Mr. and Mrs. R. T. Smith in Canal Point for several days.

WEEKEND VISITORS

Mr. and Mrs. R. J. Crews, 123 S. Barfield Highway, Pahokee, had as their weekend guests, their son and daughter-in-law, Mr. and Mrs. W. M. Crews of Ft. Lauderdale; their grandson, Mac Crews of Rocket City; and Mr. Crews's brother, Dr. H. K. Crews of Orlando.

Mrs. Cletis Hand and daughter, Miss Linda Hand, spent the weekend at Fort Myers Beach.
